PROFILE

I am creative and persistent. I'm self-motivated, adaptable, and communicative. I'm a highly-organized and responsible person ready to participate in teamwork. I am always enthusiastic about learning new skills and improving the acquired knowledge. In addition to school projects, I create my own personal projects. In my spare time, I like to paint and read books.

EMPLOYMENT HISTORY

Intern, Banca "Intesa"

Belgrade

Apr 2017 — Jun 2017

I attended the training course organized by my high school. I communicated effectively with management and instructors. I attended filling out and archiving documents as well as the loan approval process and opening checking accounts.

Quality Assurance Intern, YouTestMe

Belgrade

May 2020 — Aug 2020

My daily task included testing web application and reporting bugs on Bugzilla. In the work log, I kept records of my tasks and deadlines. I organized and prioritized work to complete assignments in a timely, efficient manner.

EDUCATION

Visoka škola elektrotehnike i računarstva

Belgrade

Oct 2017 — Present

Course: *New computer technologies*

Prva ekonomska škola

Belgrade

Sep 2013 — Jun 2017

Course: *Banking clerk*

PROJECTS

Database implementation of a tourist agency

Jul 2020 — Present

The project consists of:

- the conceptual and physical data model
- UML diagrams representing the business logic
- database implementation in MS SQL server
- web application

Web application (Spring framework) should be able to show possibilities of the database.
